ABSTRACT

Tyson, Thesis; HAND-CATCHING OPERATIONS (OTT) BY THE CORRUPTION ERADICATION COMMISSION (KPK) AS A LEGAL MEASURE TO ERADICATE CORRUPTION, under the guidance of Supervisor Dr. Drs., Andi Muhammad Rusdi, MH.

Hand-Catching Operations (OTT) by the Corruption Eradication Commission (KPK) are a strategic effort to implement the investigation phase in combating corruption, carried out based on the authority based on applicable laws and regulations. Problem Formulation: 1. Why does the Corruption Eradication Commission take legal action through hand-catching operations to eradicate corruption? 2. What is the Authority of the Corruption Eradication Commission in eradicating Corruption?

This research method is normative and empirical. The theoretical framework used is; Legal System Theory and Authority Theory.

The results of the research; That the Corruption Eradication Commission (KPK) made legal action efforts through Hand Catch Operations (OTT), in eradicating criminal acts of corruption, based on the authority of law enforcement carried out conventionally has proven to be less successful. Therefore, an extraordinary law enforcement method is needed, the implementation of which is carried out optimally, intensively, effectively, professionally through Hand Catch Operations or OTT by KPK investigators for strategic purposes in legal action against perpetrators of criminal acts of corruption. The Authority of the Corruption Eradication Commission In eradicating Criminal Acts of Corruption, the KPK's legal action through Hand Catch Operations, is carried out based on Law Number 30 of 2002 concerning the Corruption Eradication Commission (KPK), related to the investigative authority given to the KPK, Article 6 point c, Article 12 and the Criminal Procedure Code. Thus, in legal action taken by KPK investigators against perpetrators of corruption through sting operations, investigators follow procedures, namely the provisions of the Criminal Procedure Code and Law Number 30 of 2002 concerning the Corruption Eradication Commission.
